

GT Nomination Notice

Hallsburg ISD is seeking students in our district for our Gifted and Talented program, QUEST. The Texas state goal for gifted and talented education is that students who participate in services designed for gifted students will demonstrate skills in self-directed learning, thinking, research, and communication as evidenced by the development of innovative products and performances that reflect individuality and creativity and are advanced in relation to students of similar age, experience, or environment. Nominations for the QUEST program are being accepted the last week of February through the first week of March. Forms must be completed on each student nominated and can be obtained from the Hallsburg school office. Nominations can be made by parents, teachers, peers, and community members.
